Dear Marilyn Dondero-Loop,

I am pleased to inform you that the Clark County Education Association is making a financial contribution to your campaign.

CCEA was part of an interview team that recommended your endorsement to the Nevada State Education Association. Through the interview process you demonstrated your commitment as a strong advocate for public education, and educators who dedicate their time and energy to the students in Clark County.

We look forward to working together with you on issues that impact the working and learning conditions of our teachers and students in the Clark County School District.

If you have any questions, please feel free to contact me at any time.

Sincerely,

Ruben Murillo Jr.
CCEA President
