Dear Ms. Loop,

There are many issues that face the firefighters throughout the State of Nevada today. Whether it's homeland security here in our state, the transport of nuclear waste through our communities, collective bargaining statutes, the defense of our worker's compensation statutes or our public employees retirement system. Our members have many concerns. Today public safety workers are on the frontline of our state's defenses.

Because of the support you have given or expressed to the firefighters of the state, the Professional Firefighters of Nevada are proud to support your candidacy for election to the office of the Nevada State Assembly District 5. Your continued support will be of extreme value in the future.

Please accept this endorsement and contribution on behalf of the Professional Firefighters of Nevada. If we can be of any assistance to you please feel free to contact either Rusty McAllister at 493-2796 or Joe Espinoza at 775 - 690 - 4603. We look forward to working with you in the future.

Respectfully,

Rusty McAllister
President
